

# Woven Ribbons

Here's another four by five quilt, with a very simple pieced border, and triple thin border strips surrounding that. There are small nine patch squares in the corners. There's a nice arena for quilting in all the plain background spaces!

## **\*\* Preparing the Pieces and Sewing the Block \*\***

1.

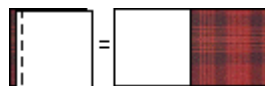

Mark and cut each of the "ribbon" colored strips into one 3-1/2" square, and one 3-1/2" x 6-1/2" rectangle of each.

2.

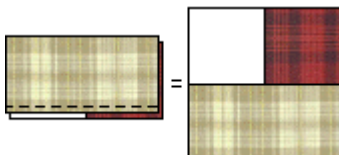

Mark and cut the background (**WHITE**) strip into four 3- 1/2" squares.

3.

Sew each of the background squares right sides together to a ribbon colored square, using a SCANT 1/4" seam. Press seam allowances towards the darker fabrics. You will have four of these units.

4.

Now sew a ribbon rectangle to the appropriate 2-square unit, again right sides together and using a SCANT 1/4" seam. Press seam allowances towards the rectangles...

5.

Then sew the four quadrants together as shown at left! Alternate pressing directions with each addition to keep your seams nice and flat! See? Wasn't that an easy one??!!
