

print fabric needed
(you provide)
3 - 2" sq.
1 - $1\frac{1}{2}$ " x $2\frac{1}{2}$ "
1 - 2" x $4\frac{1}{2}$ " - cuff
(may be coordinating)
1 - $4\frac{1}{2}$ " x 5"
2 - $1\frac{1}{2}$ " sq.

white (provided)
2 - $3\frac{1}{2}$ " sq. 3 - 2" sq.
2 - $1\frac{1}{2}$ " x $2\frac{1}{2}$ "
2 - $1\frac{1}{2}$ " x $4\frac{1}{2}$ "
1 - $2\frac{1}{2}$ " x $9\frac{1}{2}$ "

HST = half square triangles

1. make HST from the 3 print 2" sq and the 3 white 2" sq.
 - a. put one of each color right sides together, draw a line from corner to corner on the wrong side of the white sq. 
 - b. sew on each side of the drawn line a scant $\frac{1}{4}$ " seam. 
 - c. cut along the drawn line, press to the dark side
 - d. repeat with the other 2" sq.
 - e. square them up to $1\frac{1}{2}$ "
2. Sew 2 of the HST to the  $1\frac{1}{2}$ x $2\frac{1}{2}$ print for the top of the mitten
3. Sew the body of the mitten ($4\frac{1}{2}$ x 5 print) to the top of the mitten

4. Sew the cuff ($2\frac{1}{2} \times 4\frac{1}{2}$ print) to the other side of the body of the mitten

5. Sew the 2 - $1\frac{1}{2} \times 4\frac{1}{2}$ whites to the bottom and the top of the body of the mitten

6. Sew the $2\frac{1}{2} \times 9\frac{1}{2}$ white to the right side of the mitten

7. Sew a HST to a $1\frac{1}{2}$ print square as shown - make 2

8. Sew the pairs together

9. Sew the $1\frac{1}{2} \times 2\frac{1}{2}$ white to the left side of step 8

10. Sew a $1\frac{1}{2} \times 2\frac{1}{2}$ white to a HST

11. Sew step 10 to the bottom of step 9

12. Sew a $3\frac{1}{2}$ sq white to each side of step 11

13. Sew this piece to the left side of the body of the mitten

your finished mitten will measure $9\frac{1}{2}$ " sq.
